

A HEALING PARADIGM

ENVISION | MANIFEST | EXPERIENCE

Part-Time Psychometrist

Psychologist's office seeks a psychometrist with an interest in working with children and adults. Prior testing experience and superior writing skills is a must. Exceptional interpersonal and client care skills are also required. Duties include, but are not limited to:

Duties & Responsibilities

- Administration and scoring of objective psychological measures.
- Notation of behavioral observations, adaptive functioning, and activities of daily living.
- Aid in assessment interpretation, writing, and editing of reports.
- Daily documentation of clinical records.
- Collection of collateral data.

Qualities Required

The ideal candidate **must** have 1-2 years of prior testing experience. Skill assessing children and adults of culturally and economically diverse backgrounds is required. Candidate must be proactive, goal oriented, and personable. The ability to work independently, multi-task, and be comfortable in a rapidly developing environment is vital to this position. Personal attributes desired include being well-spoken, punctual, goal-oriented, and reliable.

Compensation: This part-time contract position is compensated on a per assessment basis.

About A Healing Paradigm
