Child Therapist

Busy psychologist's office seeks a therapist with an interest in work with children 5 years +, couples, and families. Significant child experience that integrates heavy involvement of the family is a must. Exceptional interpersonal and presentation skills are required. The successful candidate has the ability to work evenings, can balance multiple tasks, and is a self starter. Interest in assessment is also a plus. Candidates with an interest in Womanist theory and African-centered Psychology are particularly encouraged to apply. Duties include, but are not limited to:

Duties & Responsibilities

- Primarily counseling children ages 5 years + and their families.
- Conduct initial intake assessments and provide referrals when appropriate.
- Daily documentation of clinical records.
- Willingness to engage in community outreach and marketing.
- Develop psycho-educational and therapeutic groups for children and their families.
- Maintain relationships with local independent and public school staff.
- Clinical consultation with allied health professionals.

Qualities Required

The ideal candidate **must** be fully licensed (psychologist, LPC, LCSW) with 2-3 years of post licensure experience. Skill providing therapy to children and families of culturally and economically diverse backgrounds is required. Interest in working with couples and registration as a play therapist is a plus. Candidate must be proactive, goal oriented, and personable. The ability to work independently, multi-task, and be comfortable in a rapidly developing environment is vital to this position. Personal attributes desired include being well-spoken, punctual, goal-oriented, and reliable. Candidates **must be willing to accept insurance**. Prior credentialing on insurance panels is a plus.

Compensation: The contract position is compensated based on a percentage of billable hours. Additional benefits can include access to a full benefits package and eligibility for student loan repayment.
